SR1UPANEL200

200-pc. 1U Blanking Panel Kit

- SR1UPANEL200 is a 200-piece 1U blanking panel kit. Each blanking panel occupies 1U of rack space and is compatible with any standard 19" EIA-compliant rack enclosure. Blanking panels improve cooling efficiency within rack enclosures by closing off unused rack openings to optimize airflow and prevent recirculation. A toolless mounting design allows for simple installations.
