

Mechatronics Inc. 8152, 304th Ave., Se Preston, WA 98050, USA Tel: +1-425-222-5900

## **INSTALLATION INSTRUCTION**

1. Please read all the instruction and specification before use.
2. Don't expose to water or other liquid.
3. This unit is not a duct fan.
4. The suitability of the unit, when operated within an appliance or enclosure, shall be determined in each end-use application.
5. The unit shall be mounted and guarded in accordance with the frame and enclosure requirements of the end product. The suitable mounting means and enclosure or guard shall be determined in each end-use application.
6. The suitability of the unit splice connection and power disconnection shall be determined in each end-use application.
7. Specification:
